Dear Friends,

We are delighted to introduce you our website "*DX HOLIDAY: dream of DX*" [www.dx-holiday.com](http://www.dx-holiday.com)  
Most radio amateurs are DX lovers and many of them have participated in DX expeditions, also in remote countries. Others have always have just dream of beaches, palms trees and a radio.

Today traveling is easier than in the past and many amateurs radio have made true the dream of operating from a foreign country or from a "most wanted" DXCC entity. Few amateurs radio spend their holidays in hot or cold countries far from their home, with or without friends or families. With our website "DX HOLIDAY: dream of DX" is possible to obtain useful information to reach a foreign country and to be on air according to the local laws.

DX-HOLIDAY is a DX holiday and DXpedition holiday-style dedicated website which provides excellent information for amateurs radio on a range of pertinent topics such as:

- organize a DX-holiday in remote area;
- organize DXpedition holiday-style with your family;
- booking and negotiating with hotels;
- obtaining a foreign amateur radio license;
- rent a radio shack and antennas during your holiday;
- travel documentation & money matters
- health, emergency, and weather issues.

The website is rich of various direct experiences described by amateurs radio operators who have visited some countries for work or tourism. Informations are shared by amateurs radio that usually travel through Africa, Asia or Oceania.

Our website DX HOLIDAY is gaining considerable interest in the amateurs radio's world and for this reason we decided to show you the possibility to buy an advertise banner on our website: you can only have benefit from them.
